Dear Commissioner:

Applicant requests a Certificate of Correction for U.S. Patent No. 7,073,754.

Two errors are mistakes made by the Patent Office while printing the patent:

- (1) Column 5, Line 7: the phrase "onto said overhead beam", the word "said" was added by the Patent Office in error; and
- (2) Column 5, Line 14: the phrase "within said bore and to forced against said cable" omitted the word "be". The phrase should read "within said bore and to be forced against said cable".

Respectfully submitted,

*John C. Thomas, III*
